

Charting a Course for Maritime Heritage Education

- Join us for the Maritime Heritage Education Conference which will bring formal and informal educators together to focus exclusively on the sharing of maritime heritage education partnerships, programs and products and their linkages to science and conservation.

- Come together with participants from all over the country for guest plenary speakers, concurrent sessions, a book room and social gatherings related to the following maritime heritage topics:

- Lighthouses/lifesaving stations
- Whaling and fishing heritage
- Native canoe cultures
- Shipping and port heritage
- Shipboard education programs
- Shipwrecks and other submerged sites.

Maritime Heritage Education Conference 2005 November 18 - 20

**Nauticus: the National Maritime Center
Norfolk, Virginia**

Our nation was settled via the oceans, lakes, rivers and streams that run through our vast land. Maritime heritage celebrates the unique traditions we have created through the connections to our coasts. The stories and traditions passed on from generation to generation help us to learn how we must become stewards of our heritage to create a better future for us all....
